

January 1, 2021  
Changes to ALL In-Person Worship and Church Activities

Due to the likelihood of increased socialization during the holidays, increased cases of COVID-19 and new strains of the virus, the session of Bethesda Presbyterian Church has voted to suspend all in-person worship and other in-person church activities for the next three weeks (January 1<sup>st</sup> through January 22<sup>nd</sup>). This action has been taken out of an abundance of caution for the safety and welfare of all our church family. The Session will re-evaluate conditions and make additional schedule decisions at the January Session meeting on January 17th. We urge all members to be aware of changes in their health and take all appropriate actions to prevent exposure to the COVID virus.

Bethesda will continue to post weekly on-line worship and Bible study on our YouTube channel. Please continue to monitor your email and the Bethesda website for the latest information and updates.

Let us begin the new year in prayer for the church, the nation and our Bethesda family.
